### Hopper Drop

#### Hopper Drop Safe

This safe is fitted with a hinged, counterbalanced hopper located either in the front of the safe for same side operation, or in the rear of the safe where items are deposited through an aperture in a wall or barrier. In such cases, the safe comes with an attractive acrylic shroud designed to fit into the wall opening during installation of the safe.

MODEL  
DS1

All Ardel products carry a 5 year warranty against faulty material or workmanship. Locks carry a 12 month warranty. This warranty excludes any damage arising from transportation or misuse of safe.
