### TANK 'TH3-D'

**ANTI-HOLDUP, ANTI-BURGLARY & CASH MANAGEMENT SAFE**

The TANK 'TH3-D' is the ultimate business safe offering full protection during and outside of business hours. It combines the positive anti-hold up features of the TANK system with a heavy-duty T.D.R/ (Torch and Drill Resistant) quality safe.

Money is "skimmed" from your till and is fed through a deposit drawer into an internal twin key compartment. Alongside this drawer is another lockable drawer for the storage of change.

The 'TH3-D' is ideal for high volume cash traders and those who do not wish to bank every day. This safe is constructed using advanced technology and the latest T.D.R materials to ensure its effectiveness against the modern criminal. The barriers created are resistant to attack by oxy-acetylene and high speed drills.

#### FEATURES INCLUDE:

- Combination of trading cash deposit safe & after hours security for cash & valuables
- External, lockable deposit & change draws
- Controlled access to safe coupled with internal twin key compartment
- Safe has TANK'S special time delay & dye bomb options.
- Simple for staff to use
- Security for management
- T.D.R door with (1,000,000 possible codes)
- Distinctive "TANK WARNING" signs
